CEILING CASING for LGX2E 55"

Light up your store window

HI>ND

HI-ND Ceiling casing designed for LG High brightness monitors in 49" and 55" size. The Product is designed to be used with our standard telescope and extension pipe. But it is also prepared to be used with Wires. It comes in black and White color as standard and only availble in portrait mode. With only 100mm width and chambered edges the Products gives a very thin look.
